Re: WC Docket No. 03-11 - Application by Qwest Communications International Inc. for Authority to Provide In-Region InterLATA Services in New Mexico, Oregon and South Dakota

Dear Ms. Dortch:

On Friday, April 11, 2003, Qwest filed a letter in this docket responding to a recent WorldCom *ex parte* regarding Qwest's OSS and EDI development.¹ Attachment A to that letter was a confidential document that contained operational details about a particular CLEC, New Access. New Access recently informed Qwest that it is willing to waive confidential treatment of Attachment A. Accordingly, we are submitting a complete copy of Qwest's April 11A Ex Parte, including Attachment A, for treatment as a public document in this proceeding.

The twenty-page limit does not apply to this filing. Please contact the undersigned if you have any questions concerning this submission.

Respectfully submitted,

/s/

Melissa Newman
